<sup>\*</sup> Simple interest is calculated using 2% per annum until December 31, 2022, and 5% after December 31, 2022.

<sup>\*\*</sup> The interest factor is calculated by applying the above rates to the number of days between the date the aircraft was registered and the due date of this review.

<sup>\*\*\*</sup> The daily interest factor is calculated by dividing the current rate of 5% by 365.
